Membership Types:

HORIZON COWORK's offers a wide range of membership types for you to choose from, based on your needs and requirements.

1. Hot Seats:

Ideal for single members operating on standard day or night shifts. The shared space seat offers a economical option for members restricted to a 9 am – 6 pm day shift or a 7 am – 3 pm night shift making it ideal for freelancers, digital nomads, or those who need a professional setup without long-term commitment. Members can choose any available desk each day.

2. Dedicated Seats:

Dedicated seats are built for modern day professionals that follow a flexible work schedule and need unrestricted access to their workspace irrespective of time. Dedicated seats let you work 10 hours per day during any open hours of the space with a reserved desk in the coworking area that is exclusively yours. Perfect for professionals who prefer consistency and a personal space to set up daily.

3. Office Space:

Office spaces are the go-to for growing businesses or companies looking to start remote/back offices. This option provides an enclosed and private space to carry out your work and collaborate as a team. As part of the package 1 locker is allotted per 4 memberships booked in an office package and 10 hours of meeting room per office free of charge each month. The spaces start with a minimum of 6 seats and can be customised/increased based on your need.

4. Day Pass:

Are you a lone ranger or a student looking for a ambient and effective workplace on a need basis? This may be your cup of tea. Day pass give you 8 hours of access to the workspace with all amenities except complimentary refreshment and printing facilities. Work in a professional space when you need to. Best for professionals who need occasional workspace, business travellers, or those testing coworking before committing to a membership.

HORIZON COWORK also offer a special day pass package for students looking for a quite and comfortable environment for their studies and projects. Discounts are available on proof of student ID.
